Latest News from Washington. Meeting of the Cabinet. Washington, October 24.-An informal meeting of the Cabinet was held between 11

and 12 o'clock to-day. All the members were present except Belknap and Delano. Secretary Bristow and Postmaster-General Jewell had a consultation with the President concerning Federal officers in Texas, and read to him the reports, which are considered confidential, in relation to them made by special sgents. The only postmasters to be changed are those at Galveston and Houston. The President has already, through the Postmaster-General, requested them to resign, but they have as yet made no response. The Postmaster-General can see no good reason for making other post-office changes in Texas, though the politicians there are urging removals, that the vacancies may be supplied by persons whose chief recommendation is their greater activity in politics. The Postmaster-General desires to retain those postmasters against whom no charges can be sustained of moral or business unfitness.

Secretary Bristow is convinced that changes ought to be made among certain Treasury officers in Texas, and this will be done at an early day, but with circumspection. Business in some cases has been loosely transacted, to the loss of the customs and internal revenue, and hence the necessity for prompt action.

General Williams also presented matters concerning affairs in the South, and other members presented subjects for the President's attention.

WASHINGTON, October 24.-Ex-Governor Pease has been appointed collector of customs, and Mr. Sabines postmaster, at Gal-The Post Office Department will make six

changes in Texas from the lists furnished by special agents. Bristow and Douglas will consult Monday on the revenue changes.

Rank Robbed of \$18,000-The Robber Arrested and the Money Recovered-Doings of Negro Mobs. [Special telegram to the Dispatch.]

Mobile, Ala., October 24 .- W. R. Cooper, of this city, was yesterday detected in the act of swindling the Southern Bank, of Mobile, of \$18,000 in currency. He presented bogus letters from N. E. Goodwin, of Columbus, Miss., and actually obtained the money. After telegraphing to Columbus the bank officers arrested Cooper alias Hogan at his house and lodged him in jail. Every dollar of the money was recovered.

A few nights since, at a meeting of a colored Democratic Club in this city, John Barber (colored), the presiding officer, was assaulted by a negro mob and so badly beaten and cut that he is now lying at a hospital dangerously ill. The same night another negro Democratic Club was broken up by a mob of negro men and women.

William Pembroke, an active negro ward politician of Portsmouth, went to bed apparently well and hearty last night in the house of Miles O'Connor, a colored man, and was found dead this morning in his bed. An inquest was held over the body, and a verdict rendered of "cause of death unknown."

A Republican Paper's Opinion of the Reign of Terror in Alabama.

NEW YORK, October 24 .- A letter from a correspondent of the New York Times in Alabama, who is vouched for by that paper as a strong Republican, says he has ridden for miles along unfrequented roads, and has been to all the large cities, and not only failed to discover any trace of "a reign of terror," but found the negroes quietly at The Times, in alluding editorially to the

letter, says he finds no reign of terror in Alabama, no war of races, and no pretence that the recent crimes in that State have been instigated by political motives. He found the slieged murderers of Billings to be men unlike the bloodthirsty ruffians they had been painted, and he appears to think that the so-called evidence against them is ridiculously inadequate.

The Beecher-Tii on Matter Again. New York, October 24.-There was a long argument to-day before Judge Neilson in the City Court upon a motion of the counsel for Mr. Beecher to compel Tilton to furnish the bill of particulars in the suit against Beecher.

The counsel read the affidavit from Be cher setting forth that the plaintiffs specify but one date on which any act of improper conduct on his part is alleged to have oc curred. Tilten avers that Mrs. Tilton and Mr. Beecher confessed their guilt at different times. This Bercher positively denies, and characterizes it as utterly false, and fears that Tilton contemplates using manufactured evidence at the coming trial. The court took

Military Movements. New Orleans, October 24 .- Company G. Eighteenth infantry, goes to Greenville, Alahama; company G, Second infantry, goes

to Mobile. Summary.

Within a day or two suits have been brought against the smaller shoe manufacturers in Cocultuate, N. Y., and vicinity for slieged violation of the Gallagher putent, and the establishmen's closed, throwing work-

men out of employment and delaying filling orders. As fast as the manufacturers obtain bail they resume business.

The Shreveport warrants for the arrest of parties signing the labor pledge have not et been served. The Boston agents of the Unity Nationa Life Insurance Company refuse to reply to the commissioners, claiming that the company is not a legal society within the meaning of the statutes.

The Legitimists urge that Count de Chambord return to France. A telegram from Havana states that the Captain-General has decided to enforce the decree establishing the contribution of five per cent. on capital.

The coffee crop on Jacmel island is im mense. Producers refuse to sell at present prices. The adjacent islands are quiet.
